

Thank you for your interest in the Alpha keyring Bear – exclusive to Australia.

Final shipping costs have been calculated and the table below shows the breakup by quantity of Alpha, the corresponding shipping costs. These costs are also available direct from [www.australiapost.com.au](http://www.australiapost.com.au) in Acrobat format. To arrive at your total cost, multiply the quantity of Alpha you require by \$5 and add the corresponding shipping charge form below. For example – 6 Alphas to the USA would be \$30 (Alpha) + \$13.50 (Shipping) = AUD43.50. For quantities above 36 please allow me to quote you via a separate email.

Please send me an email with your request and then arrange payment by either Paypal to [bearsale@bigpond.net.au](mailto:bearsale@bigpond.net.au) or by credit card. For card details you can either include them in the email (or 2 emails to split the card number and expiry date) or fax them to me on +612 9476 3677.

Thank you for your patience whilst I had the shipping information sorted out and I look forward to receiving your order shortly.

I am working hard to make sure we have access to future releases of Ty product and we will have better shipping rates in place.

Warm regards,

Custom Bears.
